Many people are turning to the runes (or futhark) because they offer immediate, practical help for day-to-day affairs. Esoteric Rune Magic enriches the runic tradition by revealing the secret of how to astrally project into the runes. No magical tools are required — use the practices and meditations described here to develop your spirituality in your own way.

This book reveals, for the first time in the English language, the long hidden secrets of the German rune magicians who practiced their arts in the beginning of this century. Most of their work has been unavailable even in German for several decades. Sexual runic procedures, runic dance, yoga, gestures and more are covered in this well-researched book.

A great book for those just learning about the Old Norse Elder Futhark Runes. You will find all 24 runes in this book along with how each Rune connects with the spiritual side of the Old Norse Faith. You will discover each rune and how to pronounce it, what each rune symbolizes, what each rune governs spiritually, the divination of each rune, the energy of each rune and a poem for each rune. This book a great book for beginners and those trying to get back into the Old Norse spirituality. This book contains information on FEHU, URUZ, THURISAZ, ANSUZ, RAIDHO, KENNAZ, GEBO, WUNJO, HAGALAZ, NAUTHIZ, ISA, JER A, EHWAZ, PERTHRO, ALOIZ, SOWILO, TIWAZ, BERKANO, EHWAZ, MANNAZ, LAGUZ, INGUZ, OTHAL and DAGAZ. Hope you enjoy this "Elder Futhark Rune Manual" and may the Gods bless your path.

This follow-up to the classic Futhark breaks new ground by applying current scientific theories on how magic works in traditional societies to the world of practical magic. ALU, An Advanced Guide to Operative Runology contains completely new and fresh descriptions of all the individual runes based on traditional sources, rune-poems, Old Norse literature, and more. Thorsson one of the most respected runic scholars living today, synthesizes the old and the new, the scholarly and the practical, and brings the use of runes in magical work to a new level in ALU, An Advanced Guide to Operative Runology. ALU features: Practical magic Divination practices Reveals new techniques and methods How modern English can be used in the creation of runic writings

An accessible, in-depth exploration of the runes as a living spiritual tradition. Diana Paxson has distilled her many years of experience working with the runes into this essential source book. Readers will learn the historical meaning of each individual rune and its use and meaning now, in contemporary culture. But, Paxson reveals, the real power of the runes comes from internalizing them and using their symbols as sources of wisdom and power. At the end of each chapter are rituals and spells for all levels of ability that aim to help internalize the attributions, meanings, symbolism, and use of the runes. Everything regarding runes is covered in this definitive workbook, from the history of runes and how to make your own rune sets, to how to work with them on a psychic, spiritual, and magical level.

The Nine Doors of Midgard is a complete course of study in self-transformation through the Runes. It been used by the initiates of the Rune-Gild since 1980. The graded steps offer a systematic and traditional approach to Inner Rune-work. The author, Edred Thorsson (Stephen Flowers, PhD), is the world's leading authority on esoteric runelore.

Offers a full introduction to and survey of runes and runology: their history, how they were used, and their interpretation.

Infused with Norse mythology, the Fupark runes still serve as a vital key to the cultural heritage of the Icelandic people. Runes: The Icelandic Book of Fupark introduces three different but related forms of runic systems in a chronological order: the Elder Fupark, the Younger Fupark and the Icelandic Fupark.

A practical handbook to the history, exercises, and techniques of German rune work • Explores the four traditional runic systems: the Older Futhark, the Anglo-Frisian Futhorc, the Younger Futhark, and the Armanic Futhork • Details powerful rune work techniques and exercises, including rune yoga and dance, runic hand gestures (mudras), rune singing (mantras), runic healing, runic tantra and sex magic, rune rituals, runic divination, and the runic theory of crystals • Examines the history of esoteric runology and the trailblazers of modern rune magic, including Guido von List, Friedrich Bernhard Marby, and Rudolf John Gorsleben Although the rune renaissance began blossoming in Anglo-American occult circles in the 1970s, the runes have been part of the occult revival in Germany since its beginning in the late 19th century, with roots that go back centuries further. Exploring the history of esoteric runology and the work of the trailblazers of modern rune magic, including Guido von List, Friedrich Bernhard Marby, and Rudolf John Gorsleben, author Edred Thorsson details the secret practices and runic systems of the German rune magicians, including techniques for using runes in unprecedented ways to draw power into your life. Thorsson explores all four of the traditional runic systems: the Older Futhark (24 runes), the Anglo-Frisian Futhorc (29-33 runes), the Younger Futhark (16 runes), and the Armanic Futhark (18 runes), developed by Guido von List. The author explains the similarities and differences between them as well as how they are all facets of the same underlying runic reality. He examines the early history and possible origins of runic symbols and systems, the renaissance of rune magic from 1919 to 1935, the effects of the Third Reich and Nazis on the runic revival, as well as the reemergence of German runology after World War II. Offering an extensive practical section, Thorsson details powerful runework techniques and exercises, including rune yoga and dance, runic hand gestures (mudras), rune singing (mantras), rune yodeling, runic healing, runic tantra and sex magic, group rites with runes, and two powerful methods of engaging transpersonal powers: the Ritual of the Ninth Night and the Ritual of the Grail Cup. He also explores runic divination, the runic theory of crystals, runic symbolism in medieval German buildings, and runic material from the documents of the Fraternitas Saturni, the Brotherhood of Saturn. By immersing yourself in the world of the German runes-pioneers and the practices they designed, you will emerge with a deeper understanding of runes as well as the magical world from which they emanate.

The long overdue updated second edition of Baby’s First Book of Runes: Elder Futhark has arrived! Completely changed inside and out. The second edition is printed on a large format 8.5 x 8.5 full colour paperback. Each page has one large Rune as well as the name and pronunciation so you and your children can learn the shapes and sounds of the Runes together. What are the RUNES? The word Rune, means “Secret/Magical Language.” The Runes are the common language of the Germanic tribes of Northern Europe and Scandinavia. They are both a written language as well as sacred symbols that bear magical power.

Everything You Need to Know to Begin Working With Runes: The enigmatic nature of the runes is undeniable. In fact, the English word “rune” comes to us from the Norse word runa, which means “a secret,” or “to whisper.” As symbols of ancient power, they are found throughout the Germanic region, yet the magical force behind the runes is only beginning to be discovered in our time. On the surface level, runes are the characters in a writing system used by the ancient Germanic peoples of Europe. But unlike our modern letters, the runic symbols had been used for magical purposes long before they were fashioned into an alphabet. It is known from runic inscriptions found on ancient artifacts as well as Germanic myth and lore handed down over the centuries. Indeed, those who work with the runes today are taking part in an age-old magical tradition established by our Northern European pagan ancestors. For Runes in Beginners, best-selling author Lisa Chamberlain shines the light on these ancient symbols, showing you how to discover and utilize their unique magical energies. With both an eye toward tradition and a multicultural spirit, Lisa combines an appreciation for the Germanic roots of the runes with a more eclectic Neopagan approach. Unlike many other books on the topic, Runes for Beginners is completely accessible to those with no previous knowledge of northern European magical traditions, yet it doesn’t ignore the runes traditions altogether. You will emerge from this guide with a basic understanding of the runes’ role in ancient Germanic paganism, as well as a solid foundation of knowledge to build your own runic practice, regardless of your religious or spiritual path. Foundations in Runic Magic and Divination: The runes represent various aspects of the human experience of the Universe-both tangible and intangible. Each rune embodies a natural force, or type of energy, which the rune worker can attune to and then manifest in various ways. Runes can be sent out into the Universe to manifest a magical goal, or they can be used to consult with the unseen realms about a situation at hand. In Runes for Beginners, you’ll learn all you need to know to start using runes-leaving out the more complex traditions. The History of the Runes and Their Meanings: The origins of runic wisdom in Norse mythology. An overview of the Elder Futhark, the oldest-known runic alphabet and most widely used script in contemporary runic practice. Basic techniques of rune magic, including rune scripts, bind runes, and creating runic talismans How to make your own runes: Instructions for traditional rune-casting as well as contemporary rune spreads Tips for successful divination Divinatory meanings and magical uses of each rune in the Elder Futhark A suggested reading list for further exploring the runes and the magical and spiritual traditions of the ancient Germanic peoples Detailed tables of correspondence for a handy condensed magical and divinatory guide By the end of this guide, you will have a working knowledge of the runes that will enable you to use them with confidence in magic and divination. However, when it comes to truly mastering the runes, the importance of time and practice can’t be emphasized enough. Indeed, working with runes can truly become a lifelong journey, but Runes for Beginners is an excellent first step along the way. Norse Runic Magick. The Meaning of the Futhark Runes. Brittany Nightshade, the author of the popular "Book of Shadows" spellbook series, has released this Runic Handbook for those who would like a compact resource detailing the Elder Futhark runes and their familiarization. This simple beginners handbook is a great reference guide for anyone wanting to familiarize themselves with the meaning behind the Futhark runes for purposes of Divination, Rune Magick, etching, or if you just want to learn more about these ancient Norse symbols. The runes are the written letters that were used by the Norse and other Germanic peoples before the adoption of the Latin alphabet in the later Middle Ages. Unlike the Latin alphabet, which is an essentially utilitarian script, the runes are pictographs of some of the most powerful forces in the cosmos. In fact, the word "rune" and its cognates across past and present Germanic languages mean both "letter" and "secret/mystery." The letters called "runes" allow one to access, interact with, and influence the world-shaping forces they symbolize. Thus, when Odin sought the runes, he wasn't merely attempting to acquire a set of arbitrary representations of human vocal sounds. Rather, he was uncovering an extraordinarily potent system of magic. The Runic Handbook covers all 24 Futhark runes and has a section on common Nordic symbols and their meanings including the Vegvisir, Mjölnir, Yggdrasil, The Valknut, The Helm of Awe, and The Triple Horn of Odin. In the back of the book are large images of each Rune and Symbol with a blank backside for each image so you can write your own notes or even create your own Rune Magick Rituals.

Rune Magic is the ancient and mystical alphabet of the Germanic tribes, used over the centuries for divination and magic. This book explores their history, origins, and mythological meanings, how to consult the runes for personal empowerment, and how to invoke runic energies for divination, magical, and healing purposes. 26 line drawings.

A celebration of the best-selling new-age classic contains an expanded and refined explanation of the runic system, additional commentary, and a new author introduction, in an anniversary edition that shares new insights into using runes as an insightful self-help tool. 50,000 first printing.

This guidebook will help you discover the oracular nature of the runes and how to use them as a magical tool for insight, protection, and luck. Are you one of the chosen ones to resurrect the ancient runes and return them to their former glory? By studying the many facets of the original runes, you may be able to determine your role in relationship to this ancient art. This book will give you the basics concerning the many aspects of the Elder Futhark, such as its mythology, use as an alphabet, and the history, religion, and beliefs of the people who used them. Through study, meditation, and diligence, you may become skilled in runic divination and magic. References are given to further study whatever aspect of the runes you may choose. This is not only a primer for those seeking the basics of the runes, but a book that will satisfy even the most knowledgeable student of the runes.

Runes are the ancient Norse alphabet used for communication, divination, and magical work. Here, American runologist Edred Thorsson provides an in-depth guide to the world of runes for beginners and enthusiasts alike. Thorsson's presentation of this powerful system provides a valuable tool for self-development and spiritual transformation. The Big Book of Runes and Rune Magic: Introduces the 24 runes of the Elder Futhark along with their definitions and mystical properties Explores the historical lore of runes using archaeological evidence to explain where the runes come from, what they mean, and how they evolved Reveals the hidden lore and esoteric dimension of runes, looking at the cosmology of the Old Norse to explain the role runes played and how they were used over time Includes specific sections on rune magic and divination, rune poems, and runic numerology, as well as instructions on how to make your own runes and imbue them with numinous power, arrange the optimum setting for a rune reading, and prepare yourself psychologically and spiritually for casting the runes. This book includes material from the author's previous books Futhark, Runelore, and Runecaster's Handbook.

Much has been written about the runes of the Elder Futhark but there seems to be very little on the lore of the Anglo-Saxon runes despite their huge contribution to what we know about all other rune sets. This book has been written to help bring awareness of the heritage and lore of the Anglo-Saxon runes and discuss their use in modern divination and Pagan practice. It is the author's hope that this book inspires a love of the runes and that it helps cultivate a resurgence of interest and practice of the ancient skill of rune magic and help rekindle interest in the Anglo-Saxon culture. Runework authority and author Edred Thorsson, explores the riddle of the runes. Combining historical lore with a detailed investigation, Runelore focuses on the esoteric aspects of the runic tradition. In Part One, Historical Lore, Thorsson uses archaeological evidence to explain where the runes come from, what they mean, and how they evolved. In Part Two, Hidden Lore, he takes a more psychological view of the runes and looks at the entire cosmology of the Old Norse to explain the role runes played and how they were used over time. Included are specific sections on rune magic and divination, rune poems, runic numerology, and concise explanations of the mysteries of the 24 runes. Reprinted with a newly designed cover, Runelore offers a complete picture of the runes.

Asking where the runes come from is a bit like asking in what year did Adam and Eve leave the Garden of Eden? Yet, they are connected questions. Linguistically, runes come from Phoenician roots that split into Greek and Italic to eventually form the runes with Hebrew and Arabic on the other side of the family tree. This is the Indo-European Family of Languages. The languages and the stories they tell are connected at the core and this book attempts to weave them back together. Mythology that is equally as essential to understanding the runes. You will find the stories of Norse mythology, Eastern philosophy, and even Native American traditions fleshed out in the Glossary of this book. Because it is all connected.

Children's Book of Runes has simple descriptions that our young readers can understand, pronunciations, letter associations and hand drawn, full color artwork that everyone can enjoy! This book covers the Elder Futhark runic alphabet. Can also serve as a basic introductory guide for adults, not just strictly for kids!

Having difficulty figuring out what the runes are trying to tell you? The Book of Rune Secrets is a contemporary vision of the Elder Futhark runes, destined to become an essential part of any rune library. Share in an inspiring vision of our place in the cosmos and harness the power of the runes as never before. With astonishing clarity, this volume builds on the ideas of teachers such as Freya Aswynn, Edred Thorsson and Diana L. Paxson, but departs from old thinking and dares to explore the future of the runes themselves!

A new, updated edition of the essential guide to the practice of the runes as a magical tool for spiritual development. In Futhark, rune master Edred Thorsson reinitiates us into our heritage, explaining the mysteries of a profound system of thought and practice that underlies our developing Western culture. Futhark covers both the spiritual heritage of ancient rune lore and the practical steps we can take to draw on rune power. This complete book of rune instruction includes rune history and lore, its basis in metaphysical thought and mysticism, complete definitions of the twenty-four runes of the Elder Futhark, and the etymology, phonetic value, and interpretation of each rune. The reader will learn how to perform chants and rituals using runic energy, how to sign and send runes, and how to practice runic meditation. The author's presentation of this powerful system is lucid and profound, and provides a valuable tool for spiritual transformation and self-development.
Reveals the occult wisdom and multidimensional layers of meaning hidden in the Nordic Rune stones • Explores the practice of the Uthark divination system encoded within the traditional esoteric Futhark system of reading the runes • Traces the relationship between the rune stones and numerology, the Cabballa, alchemy, Gothicism, and sigil magic • Examines the history of the runes and the ancient spiritual mysticism of Odin Uncovering the dark side of the Nordic rune stones hidden beneath their traditional interpretation, Swedish scholar and runologist Thomas Karlsson examines the rune work of Swedish mystic and runologist Johannes Bureus (1568-1652) and professor Sigurd Agrell (1891-1937), both of whom devoted their lives to uncovering the secret uses of rune stones concealed from all but the highest initiates. Karlsson begins by examining the Uthark system of divination—the Left Hand Path of the runes—that lies hidden under the traditional Futhark system. According to the lore of Uthark, a cryptographic ruse was used to make it impossible for the uninstructed to know the true order of the runes. Exploring Agrell’s decryption of the Uthark system, Karlsson reveals similarities between the numerology of ancient mystery cults and the Runic tradition. He explains the multidimensional meaning of each rune from the Uthark perspective, their relationships with the nine worlds of Norse cosmogony, and the magical powers of rune-rows and the three settir rune groupings. He details how to create your own magically-charged runes, direct and activate the force of the runes, and use them for rune meditation, divination, sigil magic, galders (power songs), and rune yoga. Karlsson also examines the secret dimensions of the 15 “noble” runes, the Adulrunes, based on the theories of Johannes Bureus. Using his knowledge of the Cabballa and alchemy, Bureus created magical symbols with the Adulrunes as well as one symbol containing all 15 Adulrunes, which Bureus called the “Adulruna.” Karlsson explains Bureus’ spiritual system of initiation, the Gothic Cabballa, revealing the connections between old Norse wisdom and the Cabballa. He explores Bureus’ Adulruna practices and explains how Bureus outlined seven levels of meaning for each rune, with those initiated into the highest rune levels able to conjure spirits and raise the dead. Covering more than just rune practices, Karlsson’s exploration of the dark or night side of the runes provides a comprehensive guide to Norse spirituality and the ancient spiritual mysticism of Odin.

In Nordic Runes: Viking Divination Stones’ Demystified, Complete Handbook, you’ll learn all you ever wanted to know about this ancient alphabet and why it is still applicable today for use in various languages. The book will give you insight into how Runes came to be, how they were discovered, why the modern alphabet as we know it today looks so much different yet is similar to the runic alphabet, how you can use runes to make your life better through divination and meditation and so much more! Are you an open-minded spiritual practitioner? A seeker of truth and knowledge? Someone who is willing to discuss alternate perspectives? Then this book is for you. Here within is my attempt at finding the truth behind the purpose and origin of the Elder Futhark as well as intuitively deciphering their somewhat obscure meanings. At a glance this book provides: * Discussion on how runes became a language used for divination * Modern meaning interpretations for each rune * Abstract geometric artwork for each rune * Additional western alchemical and astronomical associations for each rune * Several overview tables and references In this context, this book does not discuss the traditional meanings or interpretations of the runes, but rather more modern outlooks and perspectives on each. Instead of adding more content to already confusing and conflicting traditional/conventional meanings - I have opted for the opposite, to simplify rather than complicate. I have tried to distill the core of each rune through my studies into their history, linguistics and metaphysics in order to make clear delineations between the runes. Thus, brief mentions are made to traditional meanings in favour of more discussion around the transference of the runes into our daily lives with reference to more familiar circumstances and challenges. I am quite partial to the metaphysical symbolism of animals, plants and objects, thus this book includes plenty representations to form the animal kingdom as well as everyday objects and some minor contributions from herbology. I have tried to keep to the terminology related to the Germanic tribes and to the everyday reference of people living in Iron Age Europe. Therefore, some of my interpretations are similar to their traditional counterparts, but the majority of them have been cast anew. I truly appreciate any reviews, feedback and recommendations as I am constantly striving towards improving this runic body of work to make it more relatable to my fellow rune enthusiasts!

A step-by-step guide to working with the runes throughout the year • Explains how the 24 runes of the Elder Futhark each rule the calendar for a half-month • Details the runes most powerful during each runic half-month, what they portend for personal and spiritual wellbeing, and techniques for creating relationships with them • Includes structured devotionals for each half-month • Details techniques for making your own magically-charged runes, direct and activate the force of the runes, and use them for rune meditation, divination, galders (power songs), and rune yoga. Karlsson also examines the secret dimensions of the 15 “noble” runes, the Adulrunes, from the Uthark perspective, their relationships with the nine worlds of Norse cosmogony, and the magical powers of rune-rows and the three settir rune groupings. Reveals the ancient oracle based on the runic Elder Futhark alphabet of the Norse. Here the alphabetical systems of the West, including Hebrew, Greek, Runic, Celtic, Medieval, and the Renaissance alphabets of the alchemical tradition are examined in depth. Explains the numerical significance of the various alphabets, andprovides exciting evidence for the widespread influence of Runes.

A project long in demand, Rune-Song consists of unique contents not available in previous publications. All the rune poems are recited in their original languages. Instructions for pronouncing ancient Germanic, Old English and Old Norse are also included. This also contains a complete operative system of vocal rune magic, or galdor, previously unrevealed.

"The runes you must find Which the mighty sage stained and the powerful gods made and the runemaster of the gods carved out." (The Poetic Edda, translated by C. Larrington) The runes are mysterious and powerful magical keys to the primal forces of nature that shaped Norse and Northern European culture. These twenty-four unique and inspiring symbols of the Elder Futhark (first runic alphabet) each possess powerful energies, identities, meanings, and sounds. The runes are invoked and harnessed to create change through inspiration, healing, protection, knowledge and divine wisdom from the Norse gods. Odin’s Gateways is a practical guide to using the runes and their powers and in divination, and in divination, and in divination, and in divination, and in divination, and in divination, and in divination, and in divination, and in divination, and in divination, and in divination, and in divination, and in divination. The runes are a unique journey into a deep personal understanding and relationship with them. By focusing on how to directly harness and channel the energy of the individual runes, the author guides the reader along the path to self knowledge and empowerment. With a deft hand and lucid style, Katie Gerrard cuts to the heart of the runes, combining the wisdom of the Norse Sagas and Rune Poems with practical advice and techniques gained through living and experiencing their powers. The divinatory meanings of the runes are given, with a range of different reading methods; bindrunes are explained in detail, with numerous examples presented ready for use; galdor (incantation) and spellcraft, charms and talismans are all seamlessly explored and made accessible in this fluid, concise and practical guide.
